

COVID-19 Youth Recovery Grant Program 2020-21

Organisation	Project Name	Amount Awarded	Project Description	Region
Community Living Association Inc.	Youth Mural	\$5,000.00	Community Living Association Inc. will engage young people with disability in a collaborative arts project. The aim of the project is to improve the mental health outcomes for the participants by developing the knowledge, confidence and skills that young people need to be actively involved in their community.	Great Southern
Katanning Environmental Inc	Linking Youth with Language and Culture	\$10,000.00	This project will create an opportunity for Katanning youth to learn Noongar language from Elders, learn about the natural environment from an environmental scientist, learn bush skills, and create artwork to be shared with the community in Katanning over the 6 Noongar seasons.	Great Southern
The Royal Life Saving Society of WA Inc.	Kimberley Extended Bronze Medallion project	\$7,930.00	The Royal Life Saving Society of WA Inc. will engage local Aboriginal youth to obtain their Bronze Medallion which will assist them in gaining employment as lifeguards at local pools across the Kimberley.	Kimberley
Constable Care Child Safety Foundation Inc.	Derby At-Risk Youth Intensive Film Project	\$5,000.00	The Constable Care Foundation will work to empower upper primary and high school students in an intensive film-making program in the Derby area. Using the safe medium of drama and filmmaking, the project will focus on how students have been affected by Covid-19 and the impacts the pandemic has had on their mental health.	Kimberley
World Vision Australia	West Kimberley Youth Development Program	\$10,000.00	This project aims to assist in the development of the human and social capital of Aboriginal young people in the Derby area who are currently struggling to enter the workforce.	Kimberley
Nigerian Association of Western Australia	The Year of The Pandemic: Challenges and Opportunities Summit	\$5,000.00	The Nigerian Association of Western Australia's Youth Wing will hold its 2nd annual Youth Summit with the caption, "The Year of The Pandemic: Challenges and Opportunities". This will be a one-day event organised by young people of NAWA for young people in Western Australia.	Metropolitan
Dismantle Inc.	Youth Employment Recovery Project	\$8,000.00	Dismantle will engage, mentor, train and employ up to 3 young people (identified out of 10) at risk of long-term unemployment in Perth Metropolitan. We will partner with a youth service in delivering BikeRescue to ten disadvantaged young people, where two BikeRescue Mentors (qualified Occupational Therapists and Youth Workers) run ten 3-hr sessions on bicycle refurbishment with a main focus on creating mentoring conversations with participants. Participants restore two bicycles: the first to donate to a cause of their choice and the second is 'earned' for them to keep.	Metropolitan
Ignite Mentoring Inc.	Ignite Mentoring Semester 2 2021 Excursions	\$4,840.00	Ignite Mentoring Inc. will run excursions for students to the UWA campus to provide the opportunity to participate in activities facilitated by various university organisations. Excursions give students the chance to attend a Careers Fair where they can engage in one-on-one conversations with professionals.	Metropolitan
Young Change Agents Limited	Inclusive Innovation	\$10,000.00	Young Change Agents Limited will run the Inclusive Innovation project which will aim to provide pathways to empower youth from the CALD community into becoming entrepreneurs by providing alternative pathways to employment.	Metropolitan
Ideas@Perth Inc	TEDxYouth@Perth Climate Countdown	\$10,000.00	The Organisation will support and guide young people to put together a full TEDx event regarding climate change. The youth will assist in selecting speakers, event planning, managing their teams, marketing, sales, production, customer care, accounting, etc.	Metropolitan
Inclusion Solutions Limited	The Inclusive Schools Project	\$10,000.00	The Inclusive Schools Project is an initiative that will directly impact students aged 15-18 years old to become active citizens and empower them to drive socially inclusive ideas within their school community. Three schools will be selected across the Perth Metro area through an expression of interest process.	Metropolitan
Parkerville Children and Youth Care Inc.	Taking Centre Stage	\$5,000.00	With the support of the Globe Town Project and Parkerville Children and Youth Care staff, participating young people will explore a theme relevant to them and develop a theatrical performance that brings it to life. In developing and delivering the performance, young people will build their confidence and self-expression and increase teamwork and communication skills.	Metropolitan

Organisation	Project Name	Amount Awarded	Project Description	Region
The Good Chat Foundation Ltd.	Find your Place Program	\$9,400.00	The Find your Place program creates opportunities for disadvantaged young people to play 6-8 weeks of sport in a supportive and social environment, plus have the opportunity for a community and vocational experience (e.g., fire station tour, university day experience). The program removes financial and social barriers to sport participation for young people, helping to begin a lifelong engagement with community sporting.	Metropolitan
Sports Challenge Australia	E-PALS	\$10,000.00	Sports Challenge Australia will roll out and evaluate the E-PALS platform to mobile devices and home computers to help build connectedness to support improved mental and physical outcomes in 137 'at risk' children aged 10 years to 13 years. Measured by number of contacts, frequency, health issues and type of support requested.	North East Metropolitan
Chamber of Commerce And Industry of Western Australia Limited	Youth Employment Development Day	\$5,000.00	The Chamber of Commerce and Industry of Western Australia Limited 's Youth Employment Development Day is an initiative that will help youth to develop critical skills that will assist them in gaining and retaining employment opportunities in the post-pandemic environment.	North East Metropolitan
City of Bayswater	Bold Park Community School Wellbeing Program	\$4,085.00	The Bold Park Community School Wellbeing Program aims to address mental health and wellbeing through the development and delivery of an innovative skills-based program. This tailored program intends to address the expressed needs of students aged 15-18 years in Years 10-12 during Term 3 in 2021.	North East Metropolitan
Women Can International Inc	MYI Project for Young Women	\$5,000.00	MYI Project is a 10-week interactive program that explores identity through the five senses. It incorporates exploring culture, family, peer, media and musical influences, personal style, education/employment options, life purpose, budgeting, entertaining and develops self-esteem and confidence. It is driven by a strengths-based, trauma-informed approach of working with participants with shared power, respect for differences and creating a safe space to participate.	North East Metropolitan
Whitelion Youth Agency Ltd	Re-engage Into Supported Education (RISE)	\$10,000.00	Re-engagement Into Supported Education (RISE) is an intensive short-term and crisis response solution for young people of secondary school age (12 to 18 years) who have been suspended or disengaged from mainstream education. The funding sought will strengthen Whitelion's engagement with youth at risk of criminal and anti-social behaviour.	North East Metropolitan
City of Stirling	Kick-Start Careers Project	\$4,999.00	The Kick-Start Careers Project will see the City of Stirling Youth Development Team engage with young people and facilitate employability skills development trainings for young people living, studying or working in our Council. The aim of these activities is to increase the employment prospects for young people living in the City of Stirling. Additionally, mental health promotion will be mainstreamed across all activities in the project.	North West Metropolitan
